FURNITURE STACK RACKS

NEW

6" Swivel/brake Casters

Stackable racks with a Powder coat Finish

Space-saving racks eliminate the need for wide aisles. Racks can be rolled on their heavy-duty 6-inch casters. Every level is accessible by forklift. Each storage level measures 115½" x 75½" and will hold even the largest overstuffed sofa. Available in two standard configurations. Choose the 4-level unit that has an overall height of 11'8½" or the 6-level unit with an overall height of 18'9½". Seven level units available upon request. Capacity per level is 750 lbs. Blue Powder coat finish. FOB—Shipping point. Made in the U.S.A. Replaceable casters available.
